

Nikto

60x60cm

30x60cm

SURFACE

- Matt
- Lappato

SHADE VARIATION

V3

The design of Nikto is inspired by the natural Fossena Stone, a limestone found in North Africa. The main feature, beauty and design of Fossena stone is the blend of the different natural minerals that create the intense colour charms and shadowy effect. Nikto, by Niro Granite, offers the variety of 5 colours of warm and cool grey and brownish tones to suit any room and space settings.

GNT01 • Calcite

GNT02 • Celestine

GNT03 • Borax

GNT04 • Barite
